

## The Deer Creek Village Golf Course

Enjoy the Western Colorado Golf Lifestyle

Opened in the Spring of 1988, Deer Creek Village Golf Club is a premier public golf course in Cedaredge, Colorado. This 18 hole course can suit both the serious sportsman and the occasional enthusiast.

Our neighborhoods are designed to enhance the natural beauty of the course and provide easy access to an "afternoon tee". The Deer Creek Village Golf Course offers four tee boxes per hole, and adapts to any playing level.

Nestled in a protected valley at 6100 feet in elevation, the Deer Creek Village golf course features natural cedars and winding creek beds. Adding to the challenge of play and the beauty of the surroundings is a variety of trees, lakes and bunkers. Each hole offers breathtaking views of the 14,000-foot peaks of the San Juan Mountains, the West Elk wilderness, Grand Mesa, and the Uncompahgre Mountains.

Open year-round, Deer Creek Village Golf Club generally enjoys a moderate climate of warm, sunny days and cool, refreshing evenings. Western Colorado's unique combination of sunshine and temperate weather makes it possible for golfers to play around 320 days per year.
